

SIoux CITY SUE

[G] Sioux City Sue, [A7] Sioux City Sue,
Your [D7] hair is red, your eyes are blue,
I'd [G] swap my [C] horse and [G] dog for [D7] you.
[G] Sioux City Sue, [A7] Sioux City Sue,
There [Am] ain't no gal as [D7] true
As my sweet Sioux City [G] Sue.

I [G] drove a herd of cattle down from [A7] old Nebraska Way
That's [D7] how I come to be in the state of I-o-[G] way
I met a girl in I-o-way; her [A7] eyes were big and blue
I [D7] asked her what her name was,
She said Sioux City [G] Sue.

[G] Sioux City Sue, [A7] Sioux City Sue,
Your [D7] hair is red, your eyes are blue
I'd [G] swap my [C] horse and [G] dog for [D7] you.
[G] Sioux City Sue, [A7] Sioux City Sue,
There [Am] ain't no gal as [D7] true
As my sweet Sioux City [G] Sue.

I [G] asked her if she had a [A7] beau, she said "yes, quite a few"
But [D7] still I started courtin' my sweet Soux City [G] Sue
The first time that I stole a kiss, I [A7] caught her stealing two
I [D7] asked her did she love me, she said "indeed I [G] do"
