

THAT LUCKY OLD SUN

1949

Smug

[C] Up in the mornin' [Am] out on the job
[Em] Work like the [F] devil for my [C] pay,
But that [F] lucky old Sun has [C] nothin' to [Am] do
But [F] roll around [G7] heaven all [C] day.

[C] Fuss with my woman, [Am] toil for my kids,
[Em] Sweat 'til I'm [F] wrinkled and [C] gray,
While that [F] lucky old Sun has [C] nothin' to [Am] do
But [F] roll around [G7] heaven all [C] day.

**Good [Am] Lord a-[Em]bove, can't you [F] know I'm [C] pin-in
[F] Tears all [G] in my [C] eyes.
Send [Am] down that [Em] cloud with a [F] silver [C] lin-in,
[C] Lift me to [Am] para-[G7]dise.

[C] Show me that river, [Am] take me across,
And [Em] Wash all my [F] troubles a-[C]way,
Like that [F] lucky old Sun, give me [C] nothin' to do
But [F] roll around [G7] heaven all [C] day.
