

Waltz Across Texas

2 Chord Song: G is preferred (G or D7)

When [G] we dance together my [D7] world's in disguise
It's a fairyland tale that's come [G] true
When you look at me with those [D7] stars in your eyes
I could waltz across Texas with [G] you

[G] Waltz across Texas with [D7] you in my arms
Waltz across Texas with [G] you
Like a storybook ending I'm [D7] lost in your charms
And I could waltz across Texas with [G] you

Instrumentals

My [G] heartaches and troubles are [D7] just up and gone
The moment you come into [G] view
With your hand in mine dear I could [D7] dance on and on
And I could waltz across Texas with [G] you

[G] Waltz across Texas with [D7] you in my arms
Waltz across Texas with [G] you
Like a storybook ending I'm [D7] lost in your charms
And I could waltz across Texas with [G] you
